A Manual For Living A

It truly lives up to its title - A Manual For Living. If there is any fault to be found with the book it would be in its brevity. I have read many books that say less in four times the number of words. It is really amazing that so many of the truths of living a purposeful life filled with happiness have been around for so long.

A Manual for Living by Epictetus

A Manual For Living Summary. In our power are thought, impulse, will to get and will to avoid, and, in a word, everything which is our own doing. "You are but an impression, and not at all what you seem to be.". Then test it by those rules that you possess; and first by this—the chief test of all—"Is it concerned with what is in our power or with what is not in our power?".
