Internet History Sourcebooks

All the sourcebooks aim to provide reliable primary sources in translation, grouped according to historical theme; given Halsall's training as a medievalist and Byzantinist, the Internet Medieval Sourcebook is arguably the heart of the collection.

Internet Medieval Sourcebook

PREFACE. The use of original sources in the teaching of mediæval history is still hampered by the scarcity of material adapted to the needs of the student. This situation is sufficient excuse for the publication of a new book of translations of important mediæval documents, if such a book does more than reedit old material—if it presents, along with the usual and familiar sources ...
