by Allan R. Hambley PDF: As in the previous editions, my guiding philosophy in writing this book has three elements. The first element is my belief that in the long run students are best served by learning basic concepts in a general setting.

Electrical Engineering: Principles and Applications, 7th ...

Allan R. Hambley. 3.77 · Rating details · 123 ratings · 7 reviews. The author's guiding philosophy in writing this book has three elements: to present basic concepts to readers in a general setting, to show how the principles of electrical engineering apply to specific problems in their own fields, and to remove frustration from the learning process.
