Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Aloud Voices From The Nuyorican

The vitality of [Aloud] is conspicuous even when its anarchy causes some impatience. A maximalist poetry--compounded of emotional drive, visceral detail, real-life words and rhythms--offers something vigorous even when it reads as
