American Cinema American Culture 4th

American Cinema/American Culture looks at the interplay between American cinema and mass culture from the 1890s to 2011. It begins with an examination of the basic narrative and stylistic features of classical Hollywood cinema. It then studies the genres of silent melodrama, the musical, American comedy, the war/combat film, film noir, the western, and the horror and science fiction film ...

American Libraries November 1995 "...Since the inception of the movies, there have been frenzied attempts by popular mass media...to grab realistic peeks inside the movie industry...What largely has been missing until relatively recently, has been a body of serious and insightful documentary works dealing with the history and impact of cinema and the art of filmmaking.

American Cinema - Annenberg Learner

American Cinema/American Culture is a well written book. It takes you through the evolution of the movie industry throughout history. It has a very pragmatic point of view when explaining the social motives for introducing new artifacts and techniques in the movie-making process, almost in a deterministic cause/effect pattern.
