The annapurna curry was a bit watery as well and almost seemed more like a soup than a curry. Preferred this over the tikkia masala but once again, seems like something I wouldn't order again. The restaurant itself seemed a bit suffocating as it is down stairs where the lighting is dim (I guess on the romantic side?) so unfortunately that was a ...

Annapurna I is the world's 10th highest peak. Although climbers had reached 28,150 feet (8,580 metres) on Mount Everest by 1924, Annapurna I became famous in 1950 as the first peak above 26,000 feet (8,000 metres) to be ascended to the summit. The feat was achieved by a French expedition led by Maurice Herzog, who with Louis Lachenal reached the top on June 3.

Having recently returned from a trek in Nepal to Annapurna Base Camp, this was a perfect read. The first half felt very technical and almost had me stop reading, however once the trek to Annapurna's summit starts, the book moves along brilliantly. Wonderfully told, incredible detail and an amazing story of tenacity.
