### Architectural Representation And The Perspective

Writing from inside the discipline of architecture, rather than from the more common extrapolations from the history of painting and philosophy, Alberto Pérez-Gómez and Louise Pelletier focus on the implications of the tool of perspective (and the hegemony of vision) for architectural representation.

### Architectural Representation and the Perspective Hinge ...

Alberto Pérez-Gómez and Louise Pelletier's book, Architectural Representation and the Perspective Hinge, can be thought of and seen as oceanic in its fluidity, and its solid depth. The authors' thinking leads us into the dark opacity of light and through the opal luminosity of the mind's eye, producing an architectural joy! The book is built by the block of time...in time.
