About This Course. This course prepares you for the Associate Safety Professional (ASP) certification exam by reviewing occupational safety and health (OSH) concepts and test-taking strategies. During this course, you will review hundreds of questions addressing all four domains covered in the exam blueprint that will guide you toward full competency in the safety field.

ASP Certification Exam Prep Course & Study Guide | ASSP

I recommend scheduling the CSP soon after the ASP, if possible, so you don't have to re-learn material covered in the ASP Exam. I studied for the ASP every other day for several hours for an intensive two month period. I took the exam, passed, and then spent about 1-2 months studying for the CSP.
