Buick Century is the model name that was used by Buick for a line of upscale full-size cars from 1936 to 1942 and 1954 to 1958, as well as from 1973 to 2005 for mid-size cars.. The first Buick Century debuted in 1936 as a shorter and lighter model featuring the same engine as the bigger Roadmaster and Limited series giving it more performance. The Century name was then used on six generations ...

The Buick Century, also known as the Buick Regal, was first introduced at the automotive market in 1936 as a car capable of reaching the speed of 100 mph, and phased out of production in 2005. Despite the fact that the last vehicle rolled off the line less than ten years ago, it won't be as easy as ABC to find a new replacement item for your auto.
