Credibility How Leaders Gain And

Credibility is the foundation of leadership: This is the inescapable conclusion we have come to after more than thirty years of research into the dynamics of the relationship between leaders and constituents.

Leadership is a relationship. You can't talk about leadership

And why is credibility so important? In the case of RC Willey, they agreed to sell to Berkshire Hathaway for US\$175 million, despite getting even significantly higher offers for more than US\$200 million because of Berkshire's stellar reputation. And the fact that Warren Buffet is known as one of the most trusted leaders in the world.

Competence ...

A credible leader is one who relies on honesty and does not lie in order to get some incentive or upper hand in the game. If you are dishonest, you lose your trust; if you lose your trust, you lose respect. Sooner or later, everything falls apart. In order to keep that from happening, you need to focus on
