### **Adventuring Along - From \$0 to Retired in 5 Years**

The emotional, financial, and social toll that marrying the wrong person can take on your life will overwhelm almost any progress you can make in your career or pocketbook. As you try to build a life, they will be out spending your money, making it nearly impossible for you to achieve financial independence.

### **How to Become Financially Independent**

To reach financial independence many decades earlier, you have to pump up the numbers, socking away 50% or more of what you bring home. There's even a crude but reasonably effective online calculator to help you make estimates. Okay, so how much do you need to have invested before you can quit your job and sit on the beach all day?

### **Financial Independence 101: Never Have to Work Again**

In this financial freedom step, you move from just being able to keep a roof over your head, to starting to be responsible with your money. You are current with your bills and you have started to build a nice emergency savings account. In other words, you are starting to take control of your money.
