The answer to this paradox is in the structure of the book. Bryson packages his short history of private life into a sort of rambling tour around the rooms of his home, a mid 19th Century former Church of England rectory in a Norfolk village. (This American writer has lived for many years in England.)

Rybczynski's elegant prose makes "Home: A Short History" a perfect fireside companion -- not least because he'll make you think about why you positioned your most comfy chair beside the fireplace, how your nice halogen reading light has transformed your evening hours, and whether you'd ever have even been permitted to sit down at the court of a French king. If Tom Wolfe's "From Bauhaus to Our House" is a savage indictment of modern architecture, Rybczynski's book is no less disappointed but ...
