### How To Hunt Big Bulls

The key, a lot of times, is to forget about hunting from a trailhead and look for public ground that requires you to park and either walk straight up or straight down the mountain. Trailheads are the epicenter of hunting pressure and the elk know it, so you've got to look elsewhere to access bulls."

You can catch big bullfrogs in daylight with a fishing rod. Get the longest old rod you can find (like a crappie pole). String it with a heavy nylon line and a small treble hook. Put a piece of red...

### Six Expert Tips for Catching Giant Bullfrogs | Field & Stream

It just stands to reason that the more "elk like" a hunter sounds on the calls, the more bulls he/she will call in. Calling truly is about a mindset and confidence. If you practice 300 days a year on mouth diaphragms and good open reed calls for 5 to 10 minutes - you will be amazed at how it will impact your calling success.
