Creating Guides in Adobe Illustrator | by Kenneth Reilly ...

Unlike normal guides, smart guides only appear when you're editing objects on the artboard. They provide more contextual information, such as X/Y values, so you know if an object is aligned with other objects. As you get closer, your selection will snap-to the nearest object or edge.

How to Make Guides in Illustrator - 24/7 Shutterstock ...

Hi, Smart Guides are not showing when I use Adobe Illustrator CC. There were several posts in this forum that suggest turning of "snap to grid" and double checking the preferences that smart guides are on. I've done both and provided screenshots. Smart Guides is very important feature to me. I ne...

Solved: Smart Guides Not Showing - Adobe Support Community ...

My smart guides do (did) not work neither: I think that Illustrator lied, when telling me that smart guides where enabled (they where in the View->Smart Guides menu, check mark showing up). What I did was to disable Smart Guides with CTRL-U (and that really did enable the guides, check mark still showing up). It's worth trying that.
