Language And Power By Norman

Language and Power is widely recognised both as a classic and an essential introductory textbook to the field of Critical Discourse Analysis. It focusses on how language functions in maintaining and changing power relations in modern society, the ways of analysing language which can reveal these processes and how people can become more conscious of them, as well as, more able to resist and change them.

[Norman Fairclough] Language and Power. 2 months ago. Add Comment. by Admin. Review From User : This is a wonderful book - I think what I like most about, when compared to other books by Fairclough I have read, is that it really does go out of its way to be clear and useable. This is a less of a book and more of a weapon.
