How to sell more | Etsy

When I put up 1,000 listings, almost every one of them is an item I have already acquired, have already listed, and that hasn't sold. The acquisition cost, the time to create the listing, and the space to store then have already been expended. Listing 1,000 of these items doesn't affect my pocketbook or storage space at all.

9 Ways to Sell More | Inc.com

I am starting to wonder if I take a listing down, and then re-list it, will it sell faster? Also, will adding keywords work? Mainly just curious if anyone has gotten more sales because they re-list...or add keywords? And how far should I go back? I have been selling forever, so I have listings as far back as 2015. I sell primarily books. I know ...
