This mass market paperback (probably picked up at a Friends of the Library book sale) was on my TBR shelf, and I decided to read it after completing another long-time TBR book by Ozeki, *A Tale for the Time Being*. I liked *My Year of Meats* (it's just *Meat*, not the plural, on the British edition I bought) better. The book was published in 1998, but takes place over the entire year of 1991.
