The Poetry Map has its origins in a feature on Facebook's homepage by which users could list countries they had visited and see these appear as pins on a map. While this was a good way of 'showing off', it also got me thinking about the places I had lived in the course of a peripatetic teaching career.

Introducing the Poetry Map - The Writing Platform

The Poetry Map has its origins in a feature on Facebook's homepage by which users could list countries they had visited and see these appear as pins on a map. While this was a good way of 'showing off', it also got me thinking about the places I had lived in the course of a peripatetic teaching career.

Map Poems - Poems For Map - Poem Hunter

A poem becomes a map when it crosses boundaries of identity and experience, when it shows us how to move through and beyond the spaces that keep us from one another, and keep us from our own humanity. The poem as map situates readers within larger contexts: cultural, historical, social, and spatial.

'A unique and slightly mad effort': mapping Britain in poetry

Map Poetry makes us aware that the territory out there is, indeed, complicated, and complex and entangled. And that we all perceive it differently. Before I start showing examples; two remarks: First, Map Poetry doesn't equal Map Art, but is a subset of it. Map Art can include beautiful designed maps that still show an objective overview. But ...
