Slowly it dawned on me that death is an ending only for those of us still wrapped up in the story of our own earthly lives. From the perspective of the dying, death is a strange and wonderful beginning, a threshold to some new and more beautiful world. "Love must be like this, and it must be good," a patient named Robin once told me.

Proof of Life After Death Hospice Nurse | Guideposts

Nursing is a career where death is a part of not only life but work. Whether you work in a doctor's office building, a hospital, or a nursing home, you will most likely be faced with a patient dying. Working in a hospital myself, death is more common than most people would like to think.
