Pages: 202 My rating: 3.5 Read other books by this author in the future: yes Copy of my review left with the first book! I am going to review all five parts here. All books in this series were pretty short reads (like less than 2000 Positions in Kindle, I am writing this here, because it feels shorter than the 200+ pages you find in the book Information or the Amazon page).

Oath Forger 4 (Oath Forger, #4) by Nia Mars

The third book in the Oath Forger series picked up right where book 2 left off... with Ava revealing her virginity to her 5 kreks. In this book, Ava grows closer to her kreks, Uthan and Koah the most, and finally accepts one of the men.

There's a saying on Earth: "Fake it till you make it." Sadly, I'm no longer on Earth. My motto is: "Fake it till you get caught." I'm trying to settle into being the Oath Forger, trying to resist the advances of the five most powerful kings in the galaxy (it's going about as well as you'd think), expecting my lies to catch up with me at any second.

Oath Forger #2, A Reverse Harem Sci-fi Romance from Nia ...

The story is entertaining and funny although maybe too simple for my taste. Basically, the main heroine, Ava is kidnapped by space pirate and is discovered by a king of another planet as an oath forger. Apparently, this oath forger is important enough to bring peace between planets and keeps the interest of 4 or 5 kings.

Oath Forger Book 3 A Reverse Harem Sci Fi Romance

Very interesting start to the series. The concept of different galaxies is intriguing as is the history of the Kreks and the Oath Forger. This was not a long read, quite short actually - I between a serial and standard novel - so hopefully there is more character development for the Kreks in the next book.

Oath Forger 5 (Oath Forger #5) by Nia Mars - Celebrity Readers I received a free copy of Oath Forger by Nia Mars in exchange for an honest review. First, I did not notice that this was a reverse-harem novel when I picked it up; I absurdly actually thought it was a YA novel. I was shocked at how much foreplay was in the book.
