These Practice Your Skillsworksheets provide problems similar to the introductory exercises in each lesson of Discovering Geometry. Like those exercises, these worksheets allow students to practice and reinforce the important procedures and skills developed in the lessons. Some of these problems provide non contextual skills practice.

Practice Your Skills with Answers

As a noun, practice means a "habit or custom" (as in a religious practice). It can also mean "repeated exercise to acquire a skill" (e.g., practice makes perfect), or "the pursuit of a profession" (e.g., she just retired from her medical practice). This noun sense of practice is used by both British and American English.
