...

Too Big to Jail is a cogent, exhaustively researched plea for saner and more equitable legal oversight. Garrett ends by noting that corporate crimes can overwhelm the limited resources of the justice system, but also that corporate prosecutions are themselves too big to fail.

Book Review: ‘Too Big to Jail: How Prosecutors Compromise ...

In "Too Big to Jail: How Prosecutors Compromise with Corporations," University of Virginia School of Law professor Brandon L. Garrett opens a window and sheds light on the seldom explored world of what happens when criminal charges are brought against a major company in the United States, pointing out throughout the pages of his text that prosecutors fail to effectively punish the most serious crimes.

...

Too Big to Jail? The usual play is that once they are publicly exposed, perhaps even indicted, pleas from other highly placed people will be made that they “have suffered enough” and that their resignations or firings are sufficient. Slap on the wrist, and ‘we promise it will never happen again’. Nixon was guilty as hell.
