The World of Myth: An Anthology by David Adams Leeming "A sweeping anthology of myths, ranging from ancient Egypt and Greece to the Polynesian islands and modern science. A particularly fine one-volume work that not only draws from a wide variety of sources, but also puts them in a comparative context."

World Mythology: Recommended Books Exploring the World of Myth

This anthology of world myths includes prominent tales from Greece and Rome, the Middle East, Northern Europe and the British Isles, the Far East and the Pacific Islands, Africa, and the Americas. At the beginning of each section and specific myth, the author provides key related historical and cultural facts and a brief tale summary that is quite helpful.
